Story:

Stranger things is a series of horror and mystery. On stranger things there is this thing called *the upside world*. Our idea was to choose a theme we all liked in the yearbook, and to represent the students from this year. We got the idea to put the school on top, and the students in the bottom. We got this idea because we wanted to represent the school and the students. This year we have a lot of new students, and a lot of people know about stranger things.
